

The image shows a digital interface for a word puzzle. At the top left, there are two green buttons labeled "Edit" and "Reset". To the right of these buttons is a red progress bar that is approximately 80% full, with the number "80" displayed at its end. Further right is a green circular icon containing a white question mark. Below these elements is a large white rectangular area with a green border. Inside this area, six brown circular tiles are arranged horizontally, each containing a white letter: "n", "e", "r", "i", "g", and "f".
